EDUCATION

**A typical programme:** Choose a theme for your visit to include one of these spectacular West End shows. In addition to seeing the show your group will also take part in an official show specific educational workshop. Pupils are taught performance skills and are given masterclasses designed to educate them in the themes and characters of the chosen show. We then build a bespoke tour programme around the theatre experience to take in the sites of Europe's finest capital city.

**A typical programme:** Choose an itinerary to include some of the following attractions... A Flight on the Eye, River Cruise, Madame Tussauds, The Brunel Museum, Tower of London, London Zoo and even a Wembley Stadium visit.

## What's included?

Whatever tour you decide to choose we will ensure that the trip includes return travel, 2 nights full board accommodation, and your chosen itinerary. We also provide a free overnight planning visit.

\*The overall price will depend on the final range of activities chosen.

Drama courses also available at:  
23 & 24
