

YHA ARNSIDE

CONTRASTING LOCALITY

**2 NIGHT/3 DAYS KEY STAGE 2 GEOGRAPHY,
SCIENCE AND ENVIRONMENTAL STUDIES**

An action-packed learning experience, exploring our outstandingly beautiful landscapes and investigating a wealth of natural habitats. This programme focuses on the knowledge and understanding of places, comparing and contrasting settlement, landscape and habitat.

A typical programme:

This package includes a full day with RSPB tutors leading a walk with various 'interruptions' and activities before reaching the RSPB reserve at Leighton Moss (about 3 miles) and once there enjoying a number of workshops at the on-site educational centre and the reserve itself, appreciating not only the birds but their food and habitat.

Also included are evening activities and two tutored half days which feature a local comparative study and an in depth look at coastal features, processes and habitats particularly from a birds point of view.

What's included:

Return travel to YHA Arnside
2 nights full board accommodation, 2 half days spent with RSPB tutors in the local area, full day with RSPB tutors walking from YHA Arnside and enjoying activities at Leighton Moss RSPB reserve.
