

**YHA GOLANT**

# **WOODLAND ADVENTURE & THE EDEN PROJECT**

**2 NIGHT/3 DAYS KEY STAGE 2 GEOGRAPHY,  
SCIENCE AND ENVIRONMENTAL STUDIES**

A chance to get close to nature, this programme is designed to work alongside ongoing class projects. By including a visit to the Eden Project, the group will see nature at its absolute best, and will also learn about recycling, food miles and our impact on the planet. Added to this we provide beautiful woodland walks, shelter building and nature trails.

### **A typical programme:**

Following your arrival at Golant you will set out on a wonderful and fascinating Forest Walk, taking in the sounds, smells and sights of this Cornish woodland. The first evening provides a range of Nature Art activities and fun team games. Following a comfortable nights sleep, the group travel to the nearby Eden Project for a full days self-led visit offering an opportunity for teaching staff to develop any class projects started prior to the trip. This wonderful place will give the group a truly memorable, jaw dropping experience that will inspire and excite. The second evening will provide more fun team games in the grounds and opportunities to complete Nature artwork. The final morning sees the group making their own bird boxes and taking part in a wonderful nature trail.

### **What's included:**

Return travel to YHA Golant, 2 nights full board accommodation and meals, a full days visit to The Eden Project, 2 half-day on-site activity sessions and 2 fun evening activities.

Geography courses also available at:  
1, 2, 3, 4, 5, 6, 7, 18, 19, 20, 22 & 25

### **Address:**

YHA Golant, Penquite House, Golant,  
Fowey, Cornwall PL23 1LA

### **Description of the hostel:**

This former Georgian country house stands in its own grounds, overlooking the Fowey Estuary. The site is ideal for groups of children with 14 acres of woodland to explore.
